GERMAN LANDS AT MEMEL UNDER GREAT DEMONSTRATION OF ITS PEOPLE

MEMEL GIVEN ASSURANCES That Some Agreement is Reached With Hitler; Defense Lines Strengthened

MEMEL, March 23.—(UP)—Adolf Hitler departed suddenly aboard the destroyer Leopard late today as news came from Bratislava of an agreement between Slovaks and the Germans.

The Fuehrer transferred from the battleship Deutschland, which left him here for a triumphal procession in newly annexed Memel to the faster destroyer and departed just before 4 p. m. His destination was unrevealed.

MEMEL, March 23.—(UP)—Adolf Hitler landed here at 2:04 p. m. today (a. m. C.S.T.) to welcome Memel to the German Reich.

The vanguard of the occupation crossed the Memel river at Tilis, East Prussia, at 7 a. m. (1 a. m. C.S.T.) into the area surrendered by Lithuania under an implied ultimatum and reached Memel City at 9:05 a. m. (3:05 a. m. EST).

About 1,000 German troops were in the vanguard which crossed the 65 miles southeast of Memel. They included an infantry company of the Tilsit garrison, a company of air force troops, an armored company and a motorized battalion in command of Gen. Kurt von Hammerstein.

Ernst Neumann, Memel Nazi leader, received Erik Koch, Nazi troop leader for East Prussia, at the Luise bridge, which marks the border as the German army men entered, it was said.

German officials already were in the Memel government. Heinrich Himmler, chief of the Gestapo, the Nazi secret police, and Kurt Daluege, chief of the regular police, had crossed the frontier late last night, with a strong force of troops. The autonomous Memel government ceased to function at midday and Himmler took charge.

Two motorized companies of Hitler's "secret police," and 200 of the green uniformed policemen have been in the vanguard of all Hitler's occupations, accompanied by Daluege. Hastening on Memel, they assumed control of the city.

Under sent word that a force of 1,300 of the marines accompanying his fleet would be landed tomorrow, and it was expected three companies of marines would remain as part of a permanent garrison.

All the police arrived, Memel of the Ordnungsdienst or order police had policed the hysterically celebrating city.

Memel was like a city given over to carnival. Crowds jammed the sidewalks most of the night, celebrating and awaiting the arrival of the German and of Hitler himself.

A German propaganda ministry automobile at the disposal of the city of foreign correspondents, including the United Press correspondent who had flown from Berlin to Memel.

After presenting credentials to the German operatives at Tilsit, on the German side of the frontier, the correspondents sped across the Luise bridge to a chorus of "heils" from the Nazi "SS" bodyguard troops on the German side of the former frontier. Men of the Memel order service followed their side.

At the center of the bridge flew a banner inscribed:

"Memel is free from slavery after 12 years."

There was an almost uninterrupted flow of "anschluss" celebrations, the 65 miles of dusty road between the crossing point and Memel. Black and brown Nazi uniforms, and remained hidden from the authorities in cellars and for months, appeared on the streets in thousands.

Many schoolhouses and cafe along the road was jammed with cheering crowds. Knots of grinning peasantry carrying lanterns and flashlights shouted "heils" as they recognized German license plates on automobiles passing along the road. Rows of candles lighted many farm houses. Hurriedly painted banners across the road, bearing inscriptions such as "Memel is free" and "Our people, one Reich, one Fuehrer."

Half way to Memel, a caravan of German police cars was speeding

Penal Farm Band Plays At Rotary

MUSICIANS AND DIRECTOR MADE A BIG HIT AT WEEKLY LUNCHEON MEETING

Members of the Rotary club were given a treat Wednesday when Floyd J. Hemmer, superintendent of the Indiana State Farm brought a 15 piece band to the meeting and this band made it the hottest meeting held so far this spring.

Acting as director of the band was "Curly" Davis, and his boys play everything from classical to swing and when they swing, they do some swinging. Included in the band are instrumental and vocal soloists and all performed to perfection at Wednesday's meeting. Along with "Curly's" musical ability, he is some announcer and his stories in announcing were tall and handsome. Everything he did and everything the band did made a big hit and they were given a royal welcome by the club.

Robert Moody, identification officer at the State Farm, has the band under his direction and he spends a lot of extra time with them. They not only play for all functions at the farm, but they go out now and then and always are welcomed back for return engagements. "Curly" in his announcing said several of his boys were playing return engagements at the farm, and incidentally, it was said he was on his 14th term here and elsewhere. Regardless of their future time, they were a happy lot and apparently enjoyed the visit to Greencastle.

JAMES J. HINES SENTENCED

NEW YORK, March 23.—(UP)—James J. Hines, district Tammany leader, was sentenced today to four to eight years in prison as an ally of the underworld in the operation of the Dutch Schultz policy racket.

The grizzled 62-year-old former blacksmith was convicted of selling his political influence with the police and the courts over a period of years for sums ranging as high as \$1,000 a week.

Mrs. Cunningham Funeral Saturday

WELL KNOWN BAINBRIDGE WOMAN DIED AT HOME OF SISTER IN INDIANAPOLIS

Mrs. Emma Belle Cunningham, age 84 years, well known Bainbridge woman, died Thursday morning at 12:30 o'clock at the home of her sister, Mrs. Rose Sadler of east 9th street, Indianapolis. She had been in ill health for the past two years. Death was due to cerebral apoplexy.

Mrs. Cunningham was born in Bainbridge, March 25, 1855, the daughter of Mary M. Steele and John M. Wampler. On December 14, 1873 she was united in marriage to James Alexander Cunningham. He preceded her in death July 21, 1930. Mrs. Cunningham was a member of the Christian church at Fincastle. She spent her summers on a farm near Fincastle and her winters in Indianapolis with her sister.

Survivors are one daughter, Miss Rose Beatrice Cunningham at home, four grandchildren and two great-grandchildren; one sister, Mrs. Sadler of Indianapolis and a brother, George L. Wampler of Spencer.

Funeral services will be held at 2 o'clock Saturday afternoon from the Fincastle Christian church, with the Rev. E. L. Day of Indianapolis in charge. Burial in Brick Chapel cemetery. Friends may call at the Chastain Funeral home in Roachdale Friday noon until 9 p. m. and Saturday from 8 a. m. until 12 noon.

DEFENSE OF THIS COUNTRY BEING RUSHED

CONGRESS BACKS PRESIDENT IN DEFENSE APPROPRIATIONS

PANAMA CANAL INCLUDED Big Sums Will Provide for More Airplanes and More General Defense

WASHINGTON, March 23.—Congress today neared completion of President Roosevelt's national defense program and was ready to turn its attention to the "methods short of war" which the President proposed to use against aggressors.

Spurred by events in Europe, the House yesterday voted a \$186,000,000 deficiency bill which carried \$125,000,000 for defense and then without debate approved and sent to the White House an emergency defense bill authorizing an increase in army air power to 6,000 planes.

The \$358,000,000 defense bill was expected to be signed quickly by the President. Besides authorizing new planes, it strengthens Panama Canal defenses, increases the size of the army and equips it with additional supplies of war materials.

The chief of the "methods short of war" will be provided when and if Congress revises the neutrality act, as proposed in several measures, including that of Chairman Key Pittman, D., Nev., of the Senate Foreign Relations Committee.

Pittman's measure would permit sales of munitions to belligerents on a cash-and-carry basis. He claims it would aid Great Britain and France in a possible war with Germany and Italy.

Cancer Research Work Progresses

NOTED SURGEON HOPES TO SAVE 25,000 FROM DEATH FROM CANCER ANNUALLY

INDIANAPOLIS, Ind., March 23.—(UP)—Hope of saving 25,000 lives a year in the accessible (breast) cancer group today was advanced by Dr. Frank E. Adair of New York, chairman of the cancer clinic of the American College of Surgeons.

He spoke at a general surgery meeting, held in connection with the three-day sectional meeting of the college.

Surgeons attending the session resumed today a full round of operative and non-operative clinics and will hear nationally famous specialists relate the latest in modern surgery. More than 450 surgeons had registered.

Asserting "there is little reason" why 25,000 lives cannot be saved of the 150,000 lost each year because of cancer, Dr. Adair recommended education of patients correct and early diagnosis and use of the latest treatments now available.

Dr. Adair said the most important single factor in controlling accessible cancer is early diagnosis.

He urged that women make periodic self-examinations.

"If women are taught that it is their job, instead of the doctors' we would get breast cases much earlier than at present," he said.

Authorities most competent to judge, Adair said, agree that cancer is increasing about two percent annually, superseded only by heart disease in the national death rate.

MORE THAN 100 ELKS ATTEND STAG PARTY AT LOCAL HOME

A bounteous dinner marked the successful stag party held Wednesday night by the Elks lodge. More than 100 members of the local lodge and out of town guests were seated at the tables in the dining room of the home for the evening meal.

The Brazil lodge, friendly neighbor of the local chapter, sent 25 members to the get-together.

Putnam Included In REA Project

HAS GIVEN PRELIMINARY CON- SIDERATION OF LOAN OF \$325,000

Putnam county is included in a new group of counties which are, according to present tentative plans, to be served by a Rural Electrification Administration project, and for which the REA has given preliminary consideration of a loan of \$325,000 to build the proposed 3325 miles of lines. The other counties are Morgan, Owen, Monroe and Brown.

In outlining the steps which must be completed before an allotment of funds can be made, the electrification administration says:

The project sponsors should obtain and submit signed applications for membership in the cooperative as well as applications for electrical service from it; also obtain signed easements for right-of-way for the power lines, and prepare and send to REA a detailed map of the proposed project, showing the area most feasible to be served with the allotment when and if it is made available.

Although no retail rate for selling electricity can be established until all cost factors have been determined, a rate has been tentatively suggested, under which a minimum bill of \$3.00 a month would pay for 35 kWh. This amount of electricity will not only adequately light the average size home, but it will operate several appliances such as a washing machine, iron and radio and \$4.90 would pay for 100 kWh, enough for all these uses and operating a water pump and one major appliance, such as a refrigerator.

Speed in development of this project depends very largely on prompt compliance by local leaders and the community with the REA requests for information and action. If the information is satisfactory and the local organization adequate, REA expects to be able to allot money to meet the entire construction costs. No money will be lent to pay for right-of-ways.

FRANCE AND BRITAIN IN A DEFENSE PLAN

REPORTED THAT WRITTEN AGREEMENT FOR PROTEC- TION OF EACH IS MADE

CHAMBERLAIN SPEECH DUE King of Italy Also Tells About French Plan and Mussolini to Speak Sunday

LONDON, March 23.—(UP)—Great Britain and France were reported today to have exchanged secret assurances of mutual support in event that a German attack on the Netherlands, Belgium or Switzerland endangered their vital interests.

Diplomatic quarters reported that the assurances were exchanged as the result of a 90 minute conference at the House of Commons last night at which Prime Minister Neville Chamberlain, Viscount Halifax, Foreign Secretary, George Bonnet, French foreign minister and Andre Charles Corbin, French ambassador to London, were present.

It was asserted that memoranda were exchanged recording a verbal agreement that France would support Great Britain if Britain regarded a German attack on the Netherlands or Belgium as a threat to vital interests, and that Britain would support France in event that she regarded a possible attack on Switzerland as menacing her own interests.

As this report of an important and specific move in the British "stop Hitler" drive was circulated, it was understood that Prime Minister Neville Chamberlain hoped to be able to make a statement in the Commons this afternoon on plans for an anti-aggression declaration by European powers.

Russia today replied to a secret new British proposal, and it was understood that the reply was favorable.

It was generally agreed that there had been serious, and possibly damaging, delay in negotiations for a "stop Hitler" declaration.

Russia originally proposed a six power conference, including Britain, France, Russia, Poland, Rumania, and Turkey, to form a "stop Hitler" bloc.

Britain countered with a proposal for an immediate anti-aggression declaration, based on Germany's annexation of Czechoslovakia, by the six powers named and by Greece, Bulgaria and Yugoslavia.

The smaller powers, remembering the fate of Czechoslovakia despite its alliances with Russia and France and Great Britain's "advice," held back.

Poland particularly demanded concrete military agreements as part of any "stop Hitler" movement she entered. Russia, too, favored an agreement with teeth in it.

So urgent was the situation that the possibility was considered of a British, French and Russian declaration, to be followed by a general conference of powers, including not only the nine nations which Britain first proposed but the Scandinavian and Baltic countries.

BRATISLAVA, March 23.—(UP)—The Slovak ministry of defense ordered the air force to prepare for possible action with bombing planes today as German party headquarters asserted that Hungarian troops had crossed the Slovak frontier at three points.

It was said authoritatively that the Slovak government had called the attention of the German government, as the protector of the new Slovak state, to the alleged invasion.

PARIS, March 23.—(UP)—France has made representations to Rumania and Hungary, urging them to withdraw their troops from their mutual frontiers, it was announced today.

PARIS, March 23.—(UP)—The newspaper Motin reported today that as the result of diplomatic negotiations Germany had given Belgium "certain guarantees" regarding Belgian sovereignty over the Eupen and Malmédy areas which Belgium received from Germany after the world war.

It was asserted that Germany declared she had no intention of seeking to reincorporate the areas as she did the Memel territory.

Matin said that Henri Marck, Belgian vice premier and minister of transport, was expected to announce the assurances in an election campaign speech in the Eupen area Saturday.

Discreet but methodical reinforcement of the Rhine frontier under dictatorial powers granted Premier Edouard Daladier indicated today

SHIRLEY TEMPLE WINS HOLLYWOOD, March 23.—(UP)—

Shirley Temple's estimated \$5,000,000 movie earnings were free today of a claim for 10 per cent brought by Jack Hays, a director who claims he "discovered" her.

Hays' suit was dismissed in the Superior Court on grounds that he has not showed due diligence in prosecuting the case during the more than two years since it was filed. The director had sued Mr. and Mrs. George Temple, the child's parents, for \$500,000 charging breach of contract.

When Shirley was 3 years old, Hays took her in hand, he asserted, and taught her the dancing and dramatics that won her a fortune. Shirley is now 9. He explained that a death in his family in Scotland had delayed his efforts to press the case.

Smith Head Of New Department

PUBLIC RELATIONS DEPART- MENT OF DEPAUW REORGAN- IZED BY DR. WILDMAN

A complete reorganization and orientation of all departments having to do with public relations at DePauw University has been announced by President Clyde E. Wildman as a part of his program for making DePauw's second century greater than her first.

The new organization will be headed by Dean G. Herbert Smith, at present Dean of Freshmen Men and Director of the Rector Scholarship Foundation, who will have the new title of Dean of Administration. He will also continue as Director of the Rector Scholarship Foundation. Dean Smith will relinquish much of his work that concerns students advising and will devote the major part of his time correlating the five main divisions of DePauw's public relations program.

These divisions will concern student admissions, publicity, alumni relations, financial promotion and relations to the general public. Robert Farber, secretary of admissions, will head the department relating to new students. Russell Alexander will continue as director of publicity and editor of the alumni magazine. John A. Cartwright will head the organization work of alumni relations and Elmer Carraker will work on relations with the general public and particularly DePauw's relationship to the Methodist Episcopal Church.

The new organization is to strengthen DePauw's position in the modern educational field. DePauw is one of the few universities in the country having a dean of administration with the above duties.

In commenting upon the new program, President Wildman said:

"All this has been accomplished simply by a shift of personnel. Dean Smith in assuming this new office relinquishes some of his present duties which will be assumed by other administrative officers. Mr. Alexander and Mr. Farber are continuing the work they have done so well in the field of publicity and student promotion. Mr. Cartwright and Mr. Carraker were workers in the Centennial Development Fund office and through their background with the alumni and church, fit most excellently into the plan."

Thieves Steal Cemetery Tools

MEANEST THIEF TOOK ALL UP- KEEP TOOLS AT NEW MAY- VILLE CEMETERY

Thieves of the most reprehensible type broke into the tool house at the New Mayville cemetery, Tuesday night, and robbed it of all of the tools used in caring for the cemetery. The robbery was discovered Wednesday. Carried away were a new spade, lawn mower, grubbing hoe, long handle shovel, short handle shovel, grass clippers, and a garden rake.

The cemetery is a short distance east of the school house in New Mayville, and the tool house is back from the road a hundred feet or more. The vehicle used to carry away the loot from the cemetery was apparently parked out on the road, and the tools carried to it by the marauders.

Sheriff Lawrence Graham, Deputy Sheriff Tom Vandevier and Sergeant Detective Roy Newgent of the state police were called to check for possible clues, but they announce they found none.

CIRCUITE COURT NOTE

GREAT CROWD PRESENT FOR SPRING EVENT

SEVERAL THOUSAND VISIT THE LOCAL STORES FOR OPEN- ING FEATURE

PRIZE WINNERS ANNOUNCED Capacity Crowd Proclaims Affair One of Most Interesting Ever Undertaken in Greencastle

A capacity crowd enthusiastically endorsed Greencastle merchants' novel Spring Opening last night and proclaimed the event one of the finest ever undertaken here.

Visitors from all points of the local trading area arrived in the downtown section of the city at an early hour and remained late to enjoy the unusual feature presented by Greencastle merchants cooperating with the Chamber of Commerce.

Men and women of all ages were present when the shops unveiled their attractive windows to open the evening's entertainment. The DePauw University Band led a parade through the business district to add to the enjoyment of the several thousand guests. An array of new automobiles from the showrooms of the local agencies aided in making the demonstration a success.

Complimentary remarks were heard on every side as the contestants went from store to store to judge the windows and at the same time inspect the beautiful Spring merchandise displayed in each store taking part in the interesting event. The feminine members of the contingent showed keen interest as they inspected and submitted guesses on windows featuring merchandise which ordinarily is left to the man of the house, and there was no line drawn by the masculine contestants viewing dainty Spring frocks and other articles shown in the stores that glowed with femininity.

The various stores taking part in the affair were appealing in their Spring presentations of all types of new merchandise. It was evident that the shops had succeeded in collecting the finest of everything to appeal to the shoppers. An inspection of each store was proof that Greencastle merchants are alert to bring to the shopping public variety, quality, style and reasonable prices in all lines of merchandise.

Visitors commended the merchants for the unique window displays as well as the grand displays in the shops. Many persons said the display windows had never looked better.

The list of winners, their guess and the actual value of merchandise displayed in the window contests follows:

the extent of French concern lest Germany turn suddenly toward Western Europe.

Brittany and Normandy military and naval centers also have been reinforced by men called chiefly from classes which completed their training within the last few years. Most of the reservists come from the 1936 class.

The maginot line officially is being put in "a state of special surveillance," but it has been fully manned since last September. Daladier also is preparing to create an armaments ministry and a propaganda ministry as part of his defensive precautions.

Advices from the border today reported that Germans also were active on their side of the Rhine, adding to the strength of the Siegfried line of fortifications which Adolf Hitler hurried to completion during the Sudetenland crisis. One report said 20,000 additional workers had been sent into the German line in the past few days and that work continues all night under arc lamps. Gun emplacements and tank traps were reported being built.

ROME, March 23.—(UP)—King Victor Emmanuel, in a speech regarded as the formal opening of Italy's campaign for satisfaction of its Mediterranean "aspirations," opened today the new 20th century chamber of fates and corporations, replacing the old chamber of deputies.

Premier Benito Mussolini was expected to follow up with a speech of his own Sunday, outlining Italy's demands, unless France initiates secret negotiations before then through diplomatic channels. Reports from

Paris indicated that France, working in cooperation with Britain, might make some conciliatory move.

King Victor Emmanuel, after driving with the queen in state through cheering crowds to the Palazzo Monte Citorio, opened the new chamber with his speech from the throne.

In a general review of foreign affairs, he said:

"Regarding France my government in an official note last December 17 formulated questions which divide the two countries at this moment."

In this note, Italy denounced its 1935 treaty with France, under which it obtained some colonial territory in East Africa, and in which special arrangements were made for Italians in French Tunisia. In the note, Italy invited France to make new proposals in connection with the secret treaty of April, 1915, in which Italy for its participation in the world war on the allied side was promised important concessions.

Posses Search For A Bad Man

TWO DEPUTIES KILLED BY ESCAPED KILLER IN FOOT-HILLS OF MOUNTAINS

POWELL, Wyo., March 23.—(UP)—Man-hunters swarmed into the heart of high country at dawn today to retrieve the bodies of two of their companions and to track down Earl Durand, who has killed four men since he escaped from jail a week ago.

In a brief battle last night, Durand added the two latest victims to his list of murders and drove the rest of the posse to cover. Then he went back into the mountains, where he subsists on raw meat. He left a note to his pursuers defying them to catch him and suggesting that if they did so, they mount his head and hang it from the Park county court house.

The possemen advanced today under cover of crags and underbrush, through a huge crater-like crease in the mountain, as if they hunted a

Every man in the posse except from Powell a week ago Durand killed a deputy while town marshal while escaping. He was confirmed mad.

Sheriff Frank Blackburn the hunt through a winding region of the Bearfoot mountains northwest, reported by short-wave radio that he had written a letter bearing turn address: "Earl Durand, talker's office, Powell, Wyo."

RETONGA ENDS HER SUFFERING IN 6 WEEKS

Six Years Of Nervous Indigestion, Toxic Pains, And Sluggish Elimination Soon Overcome, Declares Mrs. Alvers.

Retonga becomes more firmly entrenched in the confidence of suffering men and women every day. Mrs. Laura Alvers, Route 2, Box 190, Evansville, relates the following happy experience with the famous medicine:

"In six weeks time Retonga freed me of six years terrible suffering from nervousness, indigestion, sluggish bowels, and toxic pains and aches that nothing else I tried had

been able to reach. At last I scarcely retain anything at stomach. Every joint in my body seemed stiff and I had such splitting twinges I would almost topple me up nights to relieve denied me any real rest. I came so weak, nervous, and I don't see how my family Retonga restored my regulated my bowels, and up fifteen pounds. I have or ache, I sleep fine all night so strong I do work I had able to do in six years. I Retonga enough."

NOTICE TO BIDDERS FOR SUPPLIES FOR COUNTY ASYLUM

Notice is hereby given that bids will be received up to 10 o'clock a. m., on Monday, the third day of April, 1939, at the office of the county auditor of Putnam County, Indiana, in the City of Greencastle for the furnishing of supplies for the county asylum of said county for the quarter ending June 30, 1939.

That a requisition for all said supplies to be furnished, are named and specified in a requisition made out and filed by the superintendent of said asylum, and is now on file in said auditor's office open for the inspection of bidders, and should be inspected by bidders before making out a bid, so as to determine the quantity and quality of all articles to be bid upon.

Bidders are required to make separate bids upon groceries, etc., and for dry goods and clothing. Said merchandise belonging to two separate classes.

Bidders must bid with the understanding that the bidder who shall be awarded the contract shall furnish at the prices named in his bid the quantity of merchandise and articles named, and to furnish more or less of the quantities and articles named and as may be required by the superintendent of said asylum during the term of the contract, and until a new contract shall be awarded and at the prices named in his bid.

Bidders are required to furnish and exhibit samples of the goods and articles bid on by the bidder for inspection by the Board of Commissioners at the time bids are opened and considered, except such articles of merchandise that are standard brands that may be named in the requisition of said superintendent, samples of which may not be furnished for the inspection.

All bids submitted must be filed in duplicate on blanks to be furnished by the county auditor, accompanied by a bond in the sum of \$500, payable to the Board of Commissioners of the County of Putnam, State of Indiana, which bond must be approved by said board, said bond to contain the provisions and conditions to furnish and supply all supplies and merchandise in full compliance with the bid submitted, if awarded the contract; and also to be accompanied by the bidder's non-collusion affidavit as required by law, or the bid will not be considered.

The board reserves the right to reject any and all bids.

W. H. EITELJORGE,
 BUFORD LEE FALL,
 GEO. L. RICE,
 Board of Commissioners.
 Attest: GILBERT E. OGLES,
 Auditor Putnam County,

MAKE THREE RUNS
 The city firemen were called out three times yesterday, their run to

the Charles Meikel property on north Jackson street being the first, and it was followed in the early afternoon by a run to the Pennsylvania right of way at the south end of College avenue, where a grass fire was threatening out buildings on the Gasaway property. At 4:30 in the afternoon another grass fire called them to the Krieger property on Hillsdale avenue in Northwood. These blazes were easily extinguished.

WHY THROW MONEY AWAY? PAYING \$1.00 FOR MEDICINE--OLD MOHAWK IS ONLY 49c

The big 12 ounce family size bottle, sold on a Money-Back Guarantee. If occasional miserable attacks of constipation give you a tired run-down feeling, drowsiness, biliousness, excess acid indigestion, sick headache, sour stomach, pains in the back or limbs, and other minor ailments, these conditions are generally corrected when the waste matter is removed from the bowels, and proper elimination is restored. So freed-pep and energy returns, and you will feel better and able to do your daily work. OLD MOHAWK is intended to remove from the system these waste matters. Sold by

HORACE LINK & CO.

THE STORE OF FURNITURE

• We want every mother to see how much more of food's nourishment and appetite-appeal she can now save for her family! Even without covering, fresh vegetables and fruits don't lose their attractiveness through drying or changing color! Left-overs stay as fresh and juicy as when first cooked! Because their natural juices are not dried out by moisture-robbing air currents. Convince yourself in 5 minutes. And see Frigidaire's beautiful new styling... new MEAT-TENDER for fresh meats... new SUPER-MOIST HYDRATORS for freshening vegetables... exclusive QUICKCUBE TRAYS for easier, faster ice service. It's years ahead—yet costs no more than ordinary "first line" refrigerators. Don't buy till you see it. Come in today.

ONLY FRIGIDAIRE has the Meter-Miser

Cuts Current Cost to the bone—for it's the Simplest Refrigerating Mechanism ever built... and when parts aren't there they just can't use current or wear. Unseen, trouble-free, completely sealed in a permanent bath of oil. Comes to you with 5-Year Protection Plan backed by General Motors.
